

SPONSORING PROSPECTUS

2nd World Symposium on Sustainable Transport and Livability

WSSTL 2027 · Vienna, Austria

30 March – 2 April 2027

TU Wien, Vienna, Austria

wsstl2027.fvv.tuwien.ac.at

The 2nd World Symposium on Sustainable Transport and Livability (WSSTL 2027) will take place from 30 March to 2 April 2027 at TU Wien, Vienna. Jointly organized by TU Wien and the International Group on Sustainable Transport and Livability (IGSTL), the symposium brings together global leaders from research, policy, industry, and practice to advance solutions for more sustainable, inclusive, and livable cities.

"We warmly invite your organization to join us in Vienna as a valued partner in supporting innovation and building more livable and sustainable societies."

Univ.Prof. Dr. Guenter Emberger

Convener, LOC · Chair, ISC, WSSTL 2027
Head of Institute of Transportation, TU Wien

"IGSTL promotes international knowledge exchange on how transport policy, planning, design, and engineering shape health, equity, environmental quality, and resilience."

Prof. Ashish Verma

President of IGSTL
Indian Institute of Science, Bengaluru, India

ABOUT TU WIEN

TU Wien is one of Europe's leading technical universities, recognized globally for excellence in research, innovation, and education. Located in the heart of Vienna, it combines a strong engineering foundation with forward-looking work on sustainability, climate action, digitalization, and urban development. With close links to industry, government, and international networks, TU Wien provides sponsors with strong **academic credibility, global visibility, and access to technology-driven solutions.**

ABOUT IGSTL

The **International Group on Sustainable Transport and Livability (IGSTL)** is a global platform connecting leading researchers, policymakers, practitioners, and industry experts dedicated to advancing sustainable transport and livable cities. Through conferences, workshops, publications, and ongoing engagement, IGSTL accelerates the translation of research into practice and policy.

Transport systems shape economic vitality, social inclusion, and environmental outcomes. WSSTL 2027 positions transport as a driver of well-being, resilience, and livability — bringing together global leaders from academia, policy, and industry. As a sponsor, your organization gains a powerful platform to **showcase innovation, demonstrate sustainability leadership, and engage with decision-makers** shaping the future of mobility.

Special Discounts for Emerging Businesses

Start-ups & Micro-enterprises: 20% discount · Small & Medium-sized Enterprises (SMEs): 10% discount

SPONSORSHIP CONDITIONS

- 1 Sponsor Recognition:** Sponsors receive logo visibility and acknowledgement on the symposium website, digital programme, official communications, session slides, and conference posters and roll-ups, according to their sponsorship tier.
- 2 Panel Session Speaker (Gold):** Each Gold Sponsor may name one panel session and nominate one representative as a panel speaker, subject to approval by the organizers and alignment with the symposium themes. Complimentary registration is provided; travel and accommodation are the responsibility of the sponsor.
- 3 Exhibition & Benefits:** Sponsorship benefits, including exhibition space and complimentary registrations, will be provided as outlined in the selected package. Travel and accommodation expenses are the responsibility of the sponsor.
- 4 Green Event Policy:** In line with our commitment to hosting a Green Event, sponsors are encouraged to follow environmentally responsible practices. Printed materials and single-use promotional items are discouraged; sustainable, reusable items are welcome.
- 5 General Conditions:** All sponsorship benefits are subject to availability and final confirmation by the organizers.
